

Schedule 3 Food Act 2014

Food sectors not required to operate under food control plan or national programme

Food service sector: catering of specified nature

General description

This food sector covers very small-scale food catering and service activities in people's homes or in places where verification or enforcement activities may not be possible because of the infrequency of the catering activity or the inaccessibility of the location.

Example

An example includes but is not limited to food provided at climbing huts.
